Honesty is the first chapter in the book of wisdom. ~ Thomas Jefferson

Values Matter: This month we will be focusing on HONESTY. Honesty is telling the truth, but it is also being sincere and never stealing or cheating. Honesty really is always the best policy because it keeps us from feeling bad. You must use your conscience, which is that voice in your head and that feeling in your heart that tells you if something is right or wrong, even when nobody is around. Honesty in our school should include accepting responsibility for your actions even when you make a mistake, completing your own assignments, and always telling the truth. As you go about your day, remember to be honest with yourself and everyone you encounter.
