## DISTANCE LEARNING

### Internet Access from Home

Wherever possible, families are strongly encouraged to take advantage of the Internet Essentials program that includes an in-home WiFi modem, which provides a more stable internet experience. This program is free for NEW eligible users for 60 days and then is 9.95 per month, should the customer wish to continue the service. For information on Internet Essentials and to sign up on or after Monday, March 16, via smartphone, tablet, or computer, go to <https://www.internetessentials.com/>.

### Free Hotspots

For a map of Xfinity WiFi hotspots, visit [www.xfinity.com/wifi](http://www.xfinity.com/wifi). Once at a hotspot, consumers should select the “xfinitywifi” network name in the list of available hotspots, and then launch a browser
