In order to register and pay for our program, all parents will be required to set up their parent portal prior to registration.

All our registration documents, as well as payments, are through our online FOCUS system. This is located in your Apps/Services tab on your parent portal home page. Instructions on how to set up your parent portal, as well as how to navigate and register in FOCUS, can be found on the www.gatewayk8.net website under the After-School care information. **If you are setting up a parent portal for the first time, you will need to visit the main office to acquire your parent pin.**

Accident insurance is MANDATORY for all students enrolled in the program. It is a one-time annual cost of \$14.75 for grades PK-6, and \$15.75 for grades 7 and 8. This must be purchased prior to registration being complete. The insurance should be purchased at: www.k12studentinsurance.com
